

CRITICAL ILLNESS INSURANCE  
**TO HELP YOU FOCUS**  
ON YOUR RECOVERY

A health problem should not also be a financial burden for you and your family.

## Protect yourself against severe illnesses

A critical illness diagnosis can profoundly impact your life, bringing not only **emotional strain** but also **financial challenges**. Medical expenses can quickly escalate, but with Critical Illness Insurance, you receive tailored financial support to help ease the burden. This coverage empowers you to face this difficult period with greater confidence and peace of mind.

### Why choose Critical Illness Insurance ?

- **Financial support** to reduce the burden of medical expenses and other associated costs
- **A lump sum payout of up to Rs 3 million** upon diagnosis of a covered critical illness
- **Comprehensive protection** against 11 of the most common and serious medical conditions
- **Affordable and fixed premiums** that remain consistent throughout the policy term
- **Financial protection** independent of your health insurance coverage

### The illnesses covered:

- CABG - Coronary artery bypass graft
- Cancer
- Chronic respiratory failure
- Coma
- Heart attack
- Kidney failure
- Loss of vision
- Major burns
